

Sun-Up

POA TRIVIALIS

Characteristics:

Sun-Up is a top performing Poa Trivialis variety that has been bred to provide improved performance on southern over-seeded tees, greens and fairways or permanent turf situations in cooler climates.

Improved Results:

Sun-Up provides improved germination and establishment plus greater resistance to pests, diseases, or other environmental stresses.

Features:

- Faster Spring Transition
- Improved Bermudagrass Recovery
- Excellent Putting Surface
- Very Cold Tolerant
- Dark Green Color
- Fine Leaf Texture
- Stoloniferous Growth Habit
- Excellent Recuperative Ability
- Blends well with Perennial Ryegrass and Bentgrass

Putting Green Overseeding Trials

Clemson University 1997-98
